# BIOHIT

Innovating for Health

- Volume setting with click stops
- Suitable for both left and right-handed users
- Fully autoclavable
- Robust design
- Thermal insulation of the internal components ensures that the warmth of the hand does not affect the pipetting results during long pipetting series
- Color coding on display corresponds to the color coding of tip trays
- Good chemical & UV resistance
- Optiload tip loading for easy tip loading and ejection, as well as excellent tip sealing in multichannel models
- Safe-Cone Filters to prevent contamination

725620  
Linear Stand for all Biohit pipettes

725600  
Carousel Stand for 6 pipettes
